Carl and Pam may want to see the email and the articles/film clips from the Wilcox meeting. This rolls some of already on-going events lately with ODEQ.
p.s.: Bill called this morning and said the meeting went very well. Good questions and info from the public. He estimated 75 attendees (ODEQ counted 90).

Cathy and Joy,
Thank you for allowing Bart and Bill to attend our meeting in Bristow last night. They did a very good job! I think the meeting was very appreciated by the folks who attended. We had around 90 people, there was standing room only. Here are links to two of the news reports that ran last night.

Thanks again!

Amy
